Key Insights

- Cashback delivers highest revenue uplift across promotions
- BOGOF drives strongest growth in units sold
- Discount promotions reduce revenue despite volume gains
- Value-based promotions outperform traditional discount strategies

Recommendations

- Use Cashback for revenue-focused campaigns
- Use BOGOF for volume-driven categories
- Avoid deep discount promotions

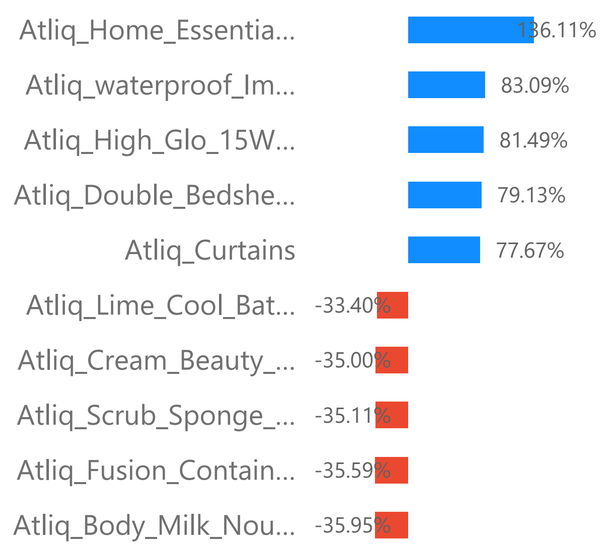
Key Insights

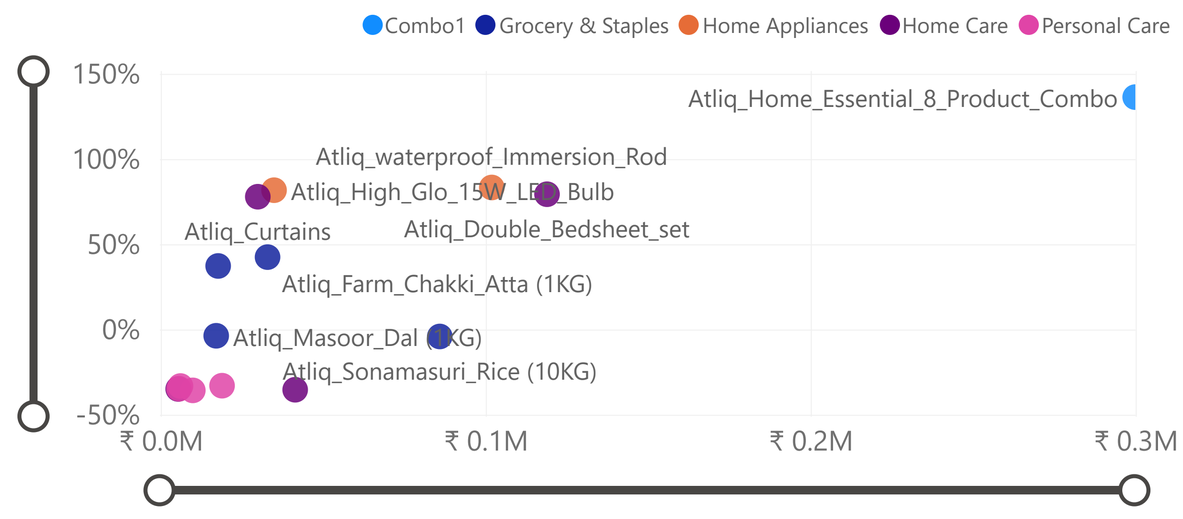
- Combo products deliver highest revenue uplift
- Home Appliances respond strongly to promotions
- Personal Care category shows negative performance
- High-priced bundled products benefit most from promotions

Recommendations

- Focus promotions on combo and appliance categories
- Avoid promotions on low-performing personal care products
- Use value-based promotions for premium products
- Re-evaluate discount strategies for weak categories

Top & Bottom Products by Revenue Lift %



Price vs Promotion Effectiveness


Higher priced bundled products show stronger performance
